

# How to Forward Emails in Outlook

Forward suspicious emails to:  
`check@scam.support`

Don't click any links inside the email — just open it and forward it.

- 1 Open the suspicious email**  
In Outlook, click on the email you want us to check.
- 2 Click Forward**  
Click Forward in the toolbar, or press Ctrl+F (Cmd+F on Mac).
- 3 Enter our email address**  
In the To field, type `check@scam.support`
- 4 Click Send**  
Click Send. You'll get a reply in about 60 seconds.
